

INTRODUCTION

Today's fast-paced world, maintaining an organized and efficient home can be a challenge. Velvet Home Secret is a user-friendly web platform designed to empower individuals, particularly women with practical guidance and expert tips on managing their homes effortlessly. Whether it's cleaning routines, lifestyle organization, home décor ideas, or kitchen and cooking strategies, our website serves as a one-stop solution for streamlining household tasks. This platform allows users to explore various home management categories with ease. By clicking on each section such as **Cleaning, Lifestyle, Home Décor, and Kitchen & Cooking** users are guided to helpful content, tools, and hacks tailored to make their home life smoother and more joyful.

PROBLEM STATEMENT

Managing a house is no less than a herculean task! Finding tips and tricks for the same is always a welcome addition and an aid to every home maker as well as others alike. Since managing a house goes beyond basic cleaning and cooking, we need a website that can act as the one stop solution to provide us with tips and tricks for all things related to managing a house such as cleaning, kitchen hacks, lifestyle, finances and home décor.

GATHERING REQUIREMENTS

Key Features and Functionality of the website are:

1. Availability of tips and trick on topics related to home management.
2. Buttons and Mouse hover functionality to reveal links to other websites.
3. Curated Tips and Tricks on Home Management.
4. Scalable Structure for Future Enhancements.

FRONT-END DEVELOPMENT

- ▶ The complete project has been done in HTML and CSS.
- ▶ We've tried to integrate the design to be interactive and responsive.
- ▶ The website also links to many webpages from the main page (index.html).

DATA SOURCES

- ▶ All the data for this project has been taken from various sites on the internet as we all from AI models such as ChatGPT.
- ▶ Trusted Online Home Management Blogs and Websites.
- ▶ YouTube Channels and DIY Tutorials.
- ▶ Personal Experience and User-Shared Tips.

CONCLUSION

Velvet Home Spaces is your go-to destination for efficient home management!

Whether you're organizing your space, streamlining daily chores, or looking for expert tips on cleaning, budgeting, and decor, we've got you covered. This platform is designed to help you create a well-managed, stress-free home with practical solutions and easy-to-follow guides. From decluttering hacks to meal planning, we bring you everything you need to make your home a place of comfort, efficiency, and joy.
